

WANTED! *CURIOUS ADULTS OF ALL AGES*

Playable City is a long running project in Bristol that uses play to connect citizens to one another. So far we've created texting lampposts, hidden 'Urbanimals' in the city and asked you to dance with your shadow. This year, we want to create better, even more magical experiences for people in Bristol. To help us get it right, we ask you to join award winning designers Daniel and Katrin from Hirsch and Mann for a workshop on **02 Feb in Watershed** from **6:00 to 8:00 PM** to tell us what you love and hate, to try things out and to help us understand what it's like to be a pedestrian in Bristol.

Interested? Call, or text **Hilary at 07534 045 997** or email hilary.os@watershed.co.uk to sign up or ask questions. No experience required. Refreshments provided. Local Travel expenses covered.
